

Dear Sponsor,

We are pleased to inform you of the upcoming “Spotlight On Oncology” Program, taking place on Saturday, August 16, 2025, at the beautiful VEA Newport Beach, A Marriott Resort & Spa.

In partnership with the UCI Hematology/Oncology Fellowship Program and Faculty, MOASC has organized a dynamic and interactive learning symposium focused on delivering timely updates in clinical practice, research & development, and advancements in oncology technology and therapeutics. Expert faculty will lead discussions on the latest in diagnosis and management of complex oncology cases, including key highlights from the Annual Program. Each session will include dedicated Q&A segments to promote engagement and enhance understanding.

We would like to invite your company to attend and exhibit at this program. This is a unique opportunity to connect with over 100 oncology professionals, including faculty and fellows from UCI, UCLA, UCSD, USC, City of Hope, and practicing medical oncologists, nurses, NPs, PAs, and other stakeholders in the field.
