M. Mansoor Alam, M.D.
Sante Medical Oncology Specialists, Inc.

Greg Daniels, M.D.
UC San Diego

Omid Hamid, M.D.
The Angeles Clinic

Sherry Hsu, M.D.
Kaiser Permanente

Description:

The purpose of this meeting is multifaceted; to provide ongoing clinical education through community outreach and increase Melanoma Awareness. This will be a great opportunity to learn from experts and network with colleagues.

Benefits of Attending:

- Submit questions and cases for discussion with experts in the field;
- Hear the latest clinical trial data and apply it to your patients; and
- Consider real-world scenarios and how to mitigate barriers to treatment.

Target Audience:

This educational activity is directed toward medical oncologists, pathologists, surgical oncologists, and other clinicians involved in the management of cancer patients.

Cost:

This event is complementary to MOASC Members but registration is required.
